

Gripple

Professional Trellising Kit

Strong, discreet framework to support wall vegetation growth; ideal for hobby gardeners and professional landscapers.

FEATURES / BENEFITS

- **Time-saving** - fast trellis solution ideal for 'green wall' applications
- **Long-lasting** - available with galvanised or stainless steel wire
- **Easy-to-use** - fast installation facilitated by the wall hub which ensures sufficient space between the wall and the vegetation
- **Secure** - join and tension wire with Gripple Plus wire tensioners
- **Compatible** - available in two wire rope sizes; 2 mm and 3 mm, with a 50 m length of wire rope
- **Versatile** - create many different design variations
- **Safe** - rubber wire caps prevent injuries and protect the ends of the wire, once cut to size.
