

Oase

AquaMax Eco Premium

- Outstanding energy balance: Reliable displacement using even less energy
- Supplemental, patented connection of optional filter accessories for debris supply from more distant pond zones
- Unique, patented frost protection: Consequently, the pump will not be damaged at temperatures as low as -20°C
- Flow rate can be mechanically and electronically adjusted with the optional accessories InScenio Dimmer of FM-Master Elegant design with clever operating elements
- Quiet for dry set up on swim ponds and bathing ponds
- Plant remains or fish waste to 11mm in size are displaced
- Environmental Function Control (EFC by OASE) protects against dry run and blocking
- MADE IN GERMANY: Precise and reliable German engineering art at a high level of quality
